Internship coordinator one each from Vety Clinical Complex and LFC = 4 contact hours

Teacher from different sections/departments = 2 contact hours (if more than one teacher from a Department is involved, the load will be shared proportionately)

These courses will be offered by VCC only. For purpose of faculty strength calculations, these courses will be considered only in VCC and not in any other Department. In case of insufficient faculty in VCC, the faculty members from the other Department may be associated with these courses in consultation with the HOD concerned and in case more than one teacher in Dept./section are involved, the load will be shared proportionately.
