Dated: 17.03.2023

Sub: Purchase of items accordance with the provision contained under the project or as per guidelines of funding agency.

Instances have come to notice that various offices/ departments are not making purchases as per provisions/guidelines of the funding agency.

This practice has been viewed very seriously by the worthy Vice-Chancellor and has desired to discourage the same with the following orders:-

“During administrative approval and financial sanction for any purchase of item, a certificate is to be given by the concerned department or office that the provision for the item for which approval is being sought exists under the project and is as per the instructions/guidelines of the funding agency.”

In view of the above orders of the worthy Vice-Chancellor, all the Deans/Directors/HODs are requested to comply with the above instructions meticulously.
