Memo No. COVS/A-1/2026/.....1210-33..... Dated:17/03/26.....

Subject: Cleaning of Rooftops

Due to the seasonal shedding of tree leaves, there is a likelihood of blockage in rooftop drainage pipes, which may lead to damage to the buildings.

Therefore, all Heads of Departments are requested to ensure that the rooftops of their respective departmental buildings are cleaned regularly to prevent any such damage.

This matter may please be treated as a priority.

Dean
College of Veterinary Sciences
LUVAS, Hisar

CC:

1. SPS to the Vice-Chancellor for kind information of the Worthy Vice-Chancellor, please.
2. Dr Dinesh Mittal, Incharge, University Website for record on the Webpage of Dean COVS.
3. Dr Neelesh Sindhu, SMC for necessary action, please.
