Hisar.

Memo No. COVS/A-1/2026/ 4143-68

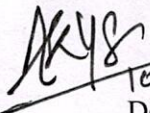

Dated:- 10.09.2026

Subject:- Cleaning of Rooftops.

In continuations of this office memo no. COVS/A-1/2026/1210-33 dated 17.03.2026, it is intimated that due to the seasonal shedding of tree leaves, there is a likelihood of blockage in rooftop drainage pipes, which may result in damage to the buildings.

Therefore, all Heads of the departments are requested to ensure that the rooftops of their respective departmental buildings and sheds are cleaned regularly, particularly during the leaf-shedding season, to prevent blockage of drainage pipes and any consequential damage to the buildings

This matter may please be treated as a priority.

10.09.2026
Dean,

College of Veterinary Sciences,
LUVAS, Hisar.
