Dated:27-11-25

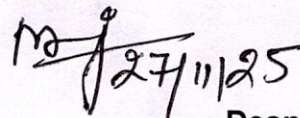

Subject: Repair of Veterinary Auditorium, College of Veterinary Sciences, LUVAS, Hisar

The Veterinary Auditorium of the College of Veterinary Sciences, LUVAS, Hisar is the only auditorium within the University premises used for organizing major University-level events. During these programs, dignitaries, faculty, students and guests from within Haryana as well as from other states visit and participate in various functions.

It is submitted that the stage, false ceiling and roof top of the auditorium have deteriorated significantly and presently present an unappealing condition. Therefore, it is requested that necessary repair work be undertaken for the stage, false ceiling and roof top at the earliest.

In view of the above, it is requested to kindly depute the concerned technical staff so that repair work may be initiated without delay.

This matter may kindly be treated as **urgent**.
