Memo No. COVS/PA/2025/.....3769-71.....

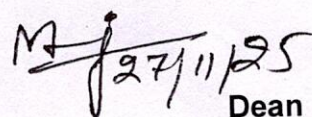

Dated: 27/11/25.....

**Subject: Request for Review the Repair of Examination Halls in DFSAH, College of Veterinary Sciences, LUVAS, Hisar**

The Examination Halls in the Disease-Free Small Animal House (DFSAH) of the College of Veterinary Sciences are presently in a very poor condition, due to which no examinations are being conducted there. This situation is causing significant difficulty for the University in conducting the UG, PG, and Diploma examinations in regular classrooms, where academic classes are conducted.

In view of the above, you are requested to kindly depute the concerned technical personnel to review the repair requirements of the Examination Halls in the DFSAH at the earliest.

This matter may please be treated as a priority.
