

# THE HARYANA VETERINARIAN

Vol. 59 (1)

June, 2020

## CONTENTS

Pages

### A. Research Articles

Effect of feeding solid state fermented cotton seed cake on growth performance of broilers D.N. Kakde, P.P. Mhase, S.B. Majee, V. Mageshwaran, V.D. Lonkar, A.S. Bannalika, P.D. Pawar and M.M. Pawade .....	1-5
Gender effect on growth performance and nutrient digestibility in (IBL-80) broilers Vishavdeep Singh, Udeybir Singh, A.P.S. Sethi and Neeraj Kashyap .....	6-9
Acute oral toxicity study of anilofos in swiss albino male mice P. Bagri and V. Kumar .....	10-12
Assessment of correlation between phenotypic and genotypic resistance profile of <i>Staphylococcus aureus</i> isolated from meat samples of Punjab, India Asima Zehra, Maliha Gulzar and Randhir Singh .....	13-18
Comparative study to check the efficacy of different methods of DNA isolation Maliha Gulzar, Randhir Singh, Asima Zehra and Simranpreet Kaur .....	19-21
Prenatal development of femur in goat ( <i>Capra hircus</i> ) Avnish Chaudhary, Archana Pathak, Ajay Prakash, Abhinov Verma, Varsha Gupta and M.M. Farooqui .....	22-24
Effect of feed restriction during growing period on growth and egg production performance of white Leghorn layers V.V. Sonkamble, A.K. Srivastava, M.M. Pawar, H.D. Chauhan, K.J. Ankuya and A.K. Jain .....	25-28
Gross anatomical, histological and echocardiographic studies on aorta of buffalo Himanshu Bhasin, Anuradha Gupta, Jitender Mohindroo, Neelam Bansal and Varinder Uppal .....	29-32
Biometrical sexual differentiation of first and second coccygeal vertebrae of blue bull ( <i>Boselaphus tragocamelus</i> ) S. Sathapathy, B.S. Dhote, S. Tamilselvan, I. Singh, M. Mrigesh and S.K. Joshi .....	33-37
Histological and histochemical studies on the spleen of goat foetus in early stages of gestation Nishant, Ajay Prakash, Varsha Gupta, M.M. Farooqui and Prabhakar Kumar .....	38-41
Aetio-pathological study of respiratory affections in buffalo calves Charlie Sharma, Vikas Nehra, Deepika Lather, Rajesh Chhabra, Aman Kumar, Gulshan Narang and R.P. Gupta .....	42-46
Clinicophysiological evaluation of glycopyrrolate-xylazine-pentazocine-propofol-sevoflurane anaesthesia in buffaloes undergoing diaphragmatic herniorrhaphy Satbir Sharma, Ashok Kumar, R.N. Chaudhary, Rishi Tayal, Deepak Kumar Tiwari and Neeraj Arora .....	47-50
Isolation of bacterial pathogens associated with canine respiratory disease Nisha, Yudhbir Singh Rana, Gaurav Charaya, V.K. Jain and Divya Agnihotri .....	51-54
Pathomorphological and immunohistochemical studies on myelocytomatosis in layer chicken Shailja Pandey, Deepika Lather and Vikas Nehra .....	55-58
Evaluation of microbial quality of pasteurized milk sold in Hisar city, Haryana, India M.H. Nawabi, Ashok Kumar and Vijay J. Jadhav .....	59-62
Study on development of chicken meat kabab by using shatavari roots powder and its aqueous extract Sajid Hussain, Ashok Malik, Priyanka Sharma and Sanjay Yadav .....	63-66
Comparative studies on stress response to laproscopic ovariectomy and open ovariectomy in dogs Vishal, Sandeep Saharan, Ashok Kumar and Sandeep Kumar .....	67-70
Assessing the potential risk factors associated with avian colibacillosis using a questionnaire survey Kushal Grakh, Dinesh Mittal, Anand Parkash and Yogesh Chandrakant Bangar .....	71-74
Gross, histological and morphometrical studies on the small intestine of rabbit ( <i>Oryctolagus cuniculus</i> ) Rajesh Ranjan and Partha Das .....	75-79
Exploratory anatomy of the tracheo-bronchial tree of goat using corrosion cast technique Rajesh Ranjan, Payal Jain and Mansi Shukla .....	80-83
Nutritional and managemental practices followed by dog owners in Barnala and Mansa district of Punjab Ankita Tiwari, A.P.S. Sethi, Udeybir Singh, M. Wadhwa, M. Chatli and Neeraj Kashyap .....	84-87
Nutritional practices adopted by the dog owners in the Fatehgarh Sahib and Ludhiana districts of Punjab Opinder Singh, Udeybir Singh, A.P.S. Sethi, O.P. Malav and M. Wadhwa .....	88-91

*In vitro* evaluation of antimicrobial activity of hydroalcoholic extract of *Rosmarinus officinalis* and *Curcuma longa* on *Escherichia coli* associated with diarrhea in children

Syedeh Mehrnaz Najafi, Sajid Hussain, Hosein Fattahi and Seyed Ali Najafi .....	92-94
Effect of feeding giloy ( <i>Tinospora cordifolia</i> ) and fenugreek ( <i>Trigonella foenum-graecum</i> ) on blood mineral profile in Jersey crossbred cows	
Anurag Sharma, Naresh Kumar, Geetanjali Singh and Anika Sharma .....	95-97
Characteristics of fresh crossbred Hampshire boar semen	
Tracy Fredha M. Sangma, Kutubuddin Ahmed, Mitali Dutta Choudhury, Galib Uz Zaman, Nekibuddin Ahmed and Arunoday Das .....	98-101
Template based structure modelling and interactomic study of bovine fertilin- $\beta$ : a sperm surface protein involved in handshaking with egg during fertilization	
Ayan Mukherjee and Dibyendu Chakraborty .....	102-105
Estimation of breeding values for performance traits in Rambouillet rams	
Aakriti Sudan, R.K. Taggar and D. Chakraborty .....	106-108
Studies on physico-chemical properties of developed mutton rolls incorporated with gooseberry powder and its extracts	
Apoorva Argade, Ashok Malik, Sanjay Yadav and S.S. Ahlawat .....	109-112
Effect of oral supplementation of bhumi amla ( <i>Phyllanthus niruri</i> L.) on rumen parameters in Beetal goats	
Kabal Singh Brar, Ravi Kant Gupta, Gurpreet Singh, Mandeep Singla, Udeybir Singh Chahal and D.S. Malik .....	113-115
Clinico-hematobiochemical alterations in dogs infected with canine monocytic ehrlichiosis	
L. Narayana Rao, B. Shobhamani, V. Vaikunta Rao and K. V. Subramanyam .....	116-119
Effect of extended intramammary antibiotic therapy on bacteriological cure in bovine clinical mastitis	
Neelam, V.K. Jain, Mahavir Singh, Ricky Jhambh, V.G. Joshi, Y.S. Rana and Parveen Goel .....	120-123
Physico-chemical properties of shelf stable meat pickle from Kadaknath	
Ashlesha Ranade, Pradeep Kumar Singh, Neeraj Shrivastav, Sankhanath Koley and Yogesh A. Chatur .....	124-128
<b>B. Short Communication</b>	
Satisfaction level of pet dog owners about clinical services of Veterinary Clinical Complex, LUVAS	
Simran Godara, S.S. Sangwan, Gautam, Rajesh, Anika Malik and S.P. Singh .....	129-130
Studies on <i>Eimeria</i> species in goats of Mathura region, Uttar Pradesh, India	
Alok Kumar Singh, Daya Shanker, Pramod Kumar Rout, Ashok Kumar and Pradeep Kumar .....	131-132
Physico-chemical characteristics of rumen liquor in buffalo calves supplemented with ground flaxseed	
Gurjinder Singh, Gurpreet Singh and Jaspal Singh Hundal .....	133-134
Replacement of maize with soybean hulls in concentrate mixture on nutrient digestibility and haemato-biochemical parameters of growing goats	
A.B. Jadhao, S.M. Bhalerao, A.V. Khanvilkar, V.R. Patodkar, A.Y. Doiphode, S.N. Jadhav and M.N. Rangnekar .....	135-136
External egg characteristics of indigenous chicken of Poonch district of Jammu and Kashmir, India	
Simran Singh, Raman Kant Taggar, Dibyendu Chakraborty, D. Kumar and Arvind Kumar .....	137-139
<b>C. Clinical Article</b>	
Unilateral uterine horn rupture and its management in a queen cat	
S. Rangasamy, J. Umamageswari, G. Monica and P. Sridevi .....	140-141
A case study on pathomorphological findings in intestinal obstruction by enterolith in a horse	
Rakesh Kumar, Rupali Masand, R.D. Patil and R.K. Asrani .....	142-143
Dystocia due to hydrocephalic fetus and traumatic rupture of vagina and uterus in a cow	
Deeksha Chaudhary, Mukesh Sahu and Sunil Kumar .....	144-145
Clinico- haematological alteration in a Labrador dog affected with babesiosis and its therapeutic management	
Shivani Sahu, P.S. Maurya, N.R. Sudhakar and Jeny K. John .....	146-147
Pyodermatitis in a German Shepherd dog and its therapeutic management	
L. Narayana Rao, K. Rajesh, Laimi Elizabeth S., B.B. Manasa and K. Suresh .....	148-150
Clinico-diagnostic studies on hypothyroidism in geriatric dogs	
Laimi Elizabeth Shaju, Syaama Sundar, Vaikunta Rao and Aswani Kumar .....	151-153
Successful management of fetal mummification in a cross-bred cow	
Alok Kumar, S.K. Sheetal, Bhavna and Gyan Dev Singh .....	154-155
