

THE HARYANA VETERINARIAN

Vol. 59 (Special Issue)

March, 2020

CONTENTS

Pages

A. Review Article

Essential oils and mastitis in dairy animals: A Review

Renu Gupta, Sandeep Kumar and Rajesh Khurana 1-9

B. Research Articles

Evaluation of vecuronium as muscle relaxant in buffalo bulls

Ashvin Dhankar, Ashok Kumar, Deepak Kumar Tiwari and Neeraj Arora 10-13

Prevalence of upper respiratory tract affections in thoroughbred horses through resting endoscopy

O.S. Gajjarwar, R.V. Suryawanshi, A.H. Ulemale, M.N. Rangnekar and Phiroz Khambatta 14-19

Vaginal exfoliative cytology during normal and induced estrus in non-descript goats (*Capra hircus*) - A comparative study

B. Indhumathi, Cecilia Joseph, K. Kulasekar, S.N. Sivaselvam, T. Sarath and G. Monica 20-22

Comparative efficacy of synchronization protocols for improving fertility in postpartum crossbred dairy cows

A.R. Ratnaparkhi, S.G. Deshmukh, H.S. Birade, V.B. Kale, S.B. Harkal and A.D. Jadhao 23-26

Associations between physico-morphological characteristics and antioxidants in Murrah buffalo semen

R.R. Magdum, M.B. Amle, M.N. Rangnekar, S.N. Jadhav, K.P. Khilare and T.C. Shende 27-30

Immunohistochemical expression of cytokeratin 14 and P53 in bovine oral tumours

Sandeep Kumar, Ranbir Singh Bisla, Prem Singh and Babu Lal Jangir 31-33

Fertility assessment in relation to ovarian follicular dimensions and GnRH therapy in dairy cattle

K.L. D'silva, M.B. Amle, M.N. Rangnekar, A.B. Mali and A. Y. Doiphode 34-37

Association of semen traits in consecutive ejaculates with FSH- β gene polymorphism in Holstein-Friesian crossbred bulls from India

Vijay Kadam, Abhijit Barate, Tejas Shende, Sameer Jadhav, Mahesh Rangnekar, Kavita Khillare and Hemant Birade 38-40

Subclinical endometritis in cross bred cows with special reference to blood-biochemistry and reproductive parameters

R.J. Chaudhari, S.U. Gulavane, M.N. Rangnekar, R.R. Shelar, S.M. Gaikwad and R.S. Jawale 41-44

Ultrasonographic evaluation of maternal heart during pregnancy and after parturition in Beetal goats

Sarita, R.K. Chandolia, Ravi Dutt, Gyan Singh and Jasmer Dalal 45-48

Effect of oral supplementation of enrofloxacin in dogs suffering from periodontal disease

Vaibhav Bhardwaj, R.N. Chaudhary, Ashok Kumar and Deepak Kumar Tiwari 49-52

Effect of parenteral administration of vitamin E and selenium during periparturient period on cortisol profile in Surti buffaloes

L.C. Modi, C.T. Khasatiya, N.F. Chaudhari, H.C. Sharma and Falguni Modi 53-56

Effect of preparturient microminerals supplementation on postpartum subclinical mastitis of dairy cows

Mohsina Mushtaq, Rajesh Agrawal, Nishi Pande, Rajiv Singh and Yassar Chouhan 57-60

Study of testicular biometry and its correlation with cauda epididymal buck seminal attributes

R.V. Baldaniya, C.M. Patel, N.F. Chaudhari, L.C. Modi, L.M. Chaudhary, N.S. Dangar and G.M. Pandya 61-64

Comparison of pre-ovulatory follicle and corpus luteum size following GnRH and hCG based synchronization protocols in repeat breeder cows

Amit Kashyap, Madhumeet Singh, Akshay Sharma and Pravesh Kumar 65-68

Ultrasonographic evaluation of healing of teat fistula using polyglactin 910 Suture and ISO – Butyl cyanoacrylate tissue adhesive in bovines

Sukhdev Singh, R.S. Bisla, Ashok Kumar, Neeraj Arora and Mohit Jamdagni 69-73

Studies on efficacy and safety of atropine-acepromazine-butorphanol-thiopentone-sevoflurane anaesthesia in buffaloes undergoing diaphragmatic herniorrhaphy

Mohit Jamdagni, Ashok Kumar, R.N. Chaudhary, Deepak Kumar Tiwari, Neeraj Arora, Sandeep Kumar and Vikas Kishore 74-78

Identification of *Ehrlichia canis* by PCR with phylogenetic analysis in dogs from south India

M. Kalaivanan, S. Saravanan, K.M. Palanivel and G. Ponnudurai 79-82

Efficacy of intrauterine ozone therapy in repeat breeder cows with subclinical uterine infection

S.S. Mali, M.N. Rangnekar, M.B. Amle, K.P. Khillare, A.B. Mali and P.P. Mhase 83-86

Study of alteration in haemato-biochemical indices in canine gastritis

Pankaj Kumar Patel, S.K. Dixit, Akhilesh Kumar, A.C. Saxena, Naveen Kumar Verma and Sonam Bhatt 87-89

C. Short Communication

Obstructive urolithiasis in buffalo calves in Haryana: A review of 143 cases Sandeep Saharan, Ribu Varghese Mathew and V.K. Jain	90-92
Oral rehydration of adult cattle using isotonic solution of sugar, sodium chloride and potassium chloride Y.B. Jadhav, G.R. Bhojne, N.P. Dakshinkar, N.V. Kurkure and M.N. Rangnekar	93-95
Effect of prepartum levamisole therapy on postpartum udder health in dairy cows Mohsina Mushtaq, Rajesh Agrawal, Rajiv Singh, Nishi Pande and Bhavna	96-98
Effect of honey supplementation on cauda epididymal buck spermatozoa preserved at refrigerated temperature C.M. Patel, L.C. Modi, N.F. Chaudhari, R.V. Baldaniya and L.M. Chaudhary	99-101
Period of luteal dominance determines the follicular wave pattern of oestrous cycle in crossbred cattle S. Sathesh Kumar	102-104
Effect of area specific mineral mixture supplementation on reproductive performance in dairy animals of Punjab Mohsina Mushtaq, S.P.S. Ghuman, S.N.S. Randhawa and Sushma Chhabra	105-106
Pathomorphological alterations in gastrointestinal tract of sheep affected with <i>Hemonchus contortus</i> S. Singh, G.A. Chandratre, A.P. Dhaka and G. Narang	107-108
Histopathological and immunohistochemical evaluation of leiomyosarcoma in dog Shreya Bahl, Babu Lal Jangir and Gulshan Narang	109-111

D. Clinical Article

Diagnosis and therapeutic management of cystolithiasis in a Golden Retriever dog G.E. Chethan, S.K. Behera, K. Sarma, H. Prasad, J.B. Rajesh, Arindam Bhowmik, L. Chang and Monicabel Basaiawmoit	112-114
Surgical management of large chronic integumentary abscesses in five Murrah buffaloes Sandeep Saharan, Ribu Varghese Mathew, Deepak Kumar Tiwari and V.K. Jain	115-116
Diagnosis and therapeutic management of central vestibular disorder with encephalitis in dogs Neeraj Thakur, Chethan Gollahalli Eregowda, Karunanithy Mahendran, Surender Kumar, M.V. Jithin, T.B. Sivanarayanan and Sahadeb Dey	117-118
Successful surgical management of rare case of omaso-abomasal obstruction in advance pregnant Holstein Friesian cow R.V. Suryawanshi, A.H. Ulemale, Y.B. Jadhav, P.B. Chougale, S.D. Lotlikar and A.H. Kawhale	119-120
Surgical management of anterior cruciate ligament rupture using modified fascia lata technique in a dog Rohit Kumar, M.A. Shah, M.A. Basha, H.P. Aithal, A.C. Saxena, Amarpal, P. Kinjavdekar, M. Singh and N. Kumar	121-122
Surgical management of congenital diaphragmatic hernia along with cranial abdominal hernia in an American Bully pup Sandeep Saharan, Vishal, Dishant Saini and Ribu Varghese Mathew	123-124
Surgical management of gastric linear potential foreign body entangled with hair ball in a German Shepherd dog Sandeep Saharan and Ribu Varghese Mathew	125-126
Therapeutic management of photosensitization in buffaloes due to berseem feeding Jagpreet Singh and Ravi Singla	127-129
Bovine hypodermatosis in south Haryana: A case report Jyoti Shunthwal, Deepika Kataria, Snehil Gupta, Davinder Singh and Amit Sangwan	130-131
Management of true estrual vaginal prolapse in bitches V. Varudharajan, M. Selvaraju, S. Prakash and K. Ravikumar	132-133
Successful surgical excision of ovarian remnant in a queen cat J. Umamageswari, G. Aparna, N. Arunmozhi, S. Rangasamy, P. Sridevi and S. Balasubramanian	134-135
Notoedric mange in two rabbits – case report Asmita Narang, C.S. Randhawa, Shabnam Sidhu and Paramjit Kaur	136-138
Surgical management of a massive fibroma in neck region in a pup Pankaj Gupta, R.B. Kushwaha, D.K. Dwivedi and R.A. Rafique	139-140
Management of hematic mummification by cervicotomy in a Jersey crossbred cow A. Reshma, T. Sathiamoorthy, R. Suresh Kumar, S. Rangasamy, T. Sarath and Cecilia Joseph	141-142
Theileriosis in a indigenous Kankrej calf: Therapeutic management with aid of blood transfusion A.N. Suthar, A.S. Prajapati, Bhupamani Das, R.M. Patel, A.A. Pathan and K.M. Jadhav	143-145
Trypanosomiasis in an Indian mule and its therapeutic management R. Suresh Kumar	146-147
Cervical oesophageal obstruction and its non-surgical management in a Mehsana buffalo R.K. Gosai, J.B. Patel, P.M. Chauhan and N.S. Chaudhari	148-149
Per-vaginal delivery of a live dicephalic fetus in a Murrah buffalo Rishipal Yadav, Gitesh Saini, Ravi Dutt, Pradeep Dangi, V. Arjun and Gyan Singh	150-151
