

THE HARYANA VETERINARIAN

Vol. 60 (Special Issue)

April, 2021

CONTENTS

Pages

A. Research Article

<i>In vitro</i> maturation of buffalo oocytes in serum free media supplemented with growth factors Narinder Singh, G.S. Dhaliwal, P.S. Brar, Sumit Singhal and V.S. Malik	1-4
Association between teat-end hyperkeratosis and udder health in crossbred dairy cows Divya Trivedi, Raj Sukhbir Singh and Dhiraj Kumar Gupta	5-9
Hospital prevalence of congestive heart failure in dogs at Aizawl and its effect on hemato-biochemical and oxidant-antioxidant status Nirali Shah, S.K. Behera, C. Gonmei, J.M. Gali, Ankan De, J.K. Chaudhary, H. Prasad, Gunjan Das and Jamlianthang.....	10-15
Clinical effects of enrofloxacin and oflox-ornidazole on periodontal diseases in dogs Vaibhav Bhardwaj, R.N. Chaudhary, Ashok Kumar and Deepak Kumar Tiwari	16-20
Subclinical mastitis incattle at Aizawl, Mizoram: prevalence, antibiogram and therapeutics M. Ralte, H. Prasad, J.B. Rajesh, P. Roychoudhury, T.C. Tolengkomba, L. Ralte, K. Sarma, S.K. Behera and C. Lalmuanthanga	21-25
An outbreak of theileriosis in a herd of crossbred cattle and Murrah buffaloes and its managment Gaurav Charaya, Naresh Jindal, Vandna Bhanot, Aman Kumar and Parveen Goel	26-29
Clinico-haematobiochemical and therapeutic studies on aspiration pneumonia in buffaloes Laimi Elizabeth Shaju, L. Narayana Rao, N. Lakshmi Rani and K. Suresh	30-33
Evaluation of a new 'on farm test' for detection of bovine subclinical mastitis R. Ramya and M. Madhanmohan	34-37
Plasma membrane integrity of cauda epididymal buck spermatozoa in tris yolk citrate extender supplemented with coconut water at refrigeration temperature R.V. Baldaniya, N.F. Chaudhari, L.C. Modi, C.M. Patel, M.A. Pandor and Wilona Diniz	38-40
<i>In vitro</i> antibacterial efficacy of aqueous and methanolic extracts of <i>Dalbergia sissoo</i> (Shisham) leaves against <i>E. coli</i> isolates from diarrhoeic calves T.C. Nayak, A.P. Singh, Savita, R. Yadav, A. Chahar, S.R. Gupta and J.P. Kachhawa	41-43
Etiology and farm prevalence of intramammary infections in dairy cows at drying off R. Jhambh, R. Yadav, J. Bhagwan, M. Singh, A. Magotra and Y. Singh	44-46
Estrus synchronization to combat reproductive seasonality in crossbred ewes Vinay Yadav, R.K. Chandolia, L.C. Ranga, Amarjeet Bisla, Gitesh Saini, Ravi Dutt, Gyan Singh, S. Patil and Aman Kumar	47-50
Effect of dietary enrichment with high energy diet and additional supplementation of trace minerals, vitamin during the periparturient period in crossbred cows B. Balamurugan, S. Mehrotra, T. Veligatl, M. Ramamoorthy, M. Gopi, V.P. Maurya, G. Singh and K. Narayanan	51-54
A cross-sectional study on the prevalence and associated risk factors of rumen and reticulum foreign bodies of cattle slaughtered at Shashemene municipal abattoir, Snnprs, Ethiopia Mesele Abera, Uiase Bin Farooq and Urfeya Mirza	55-59
Morphological and functional parameters and their correlation in cryopreserved canine semen Ram Ranjan Patti, N. Arunmozhi, P. Sridevi, A. Gopinathan, B.S. Pradeep Nag, K. Vijayarani and K. Krishnakumar	60-63
Supplementation effect of antioxidants on certain stress markers in anoestrus Surti buffaloes N.F. Chaudhari, C.T. Khasatiya, L.C. Modi, S.S. Chaudhari, J.H. Patel and D.C. Patel	64-67
Comparative studies on tugging, fixed-time laparoscopic and cervical insemination techniques in estrus synchronized ewes during non-breeding season A.A. Malik, M.R. Fazili, A. Khatun, H. Athar, H.M. Khan and R.A. Shah	68-72
Ultrasonographic evaluation of maternal liver and kidney with certain biochemical parameters during and after pregnancy in Beetal goat Saritha Yadav, R.K. Chandolia, Jasmer Dalal, Ravi Dutt and Gyan Singh	73-78
Effect of vitamin-E supplementation on sperm motility in Surti buck semen preserved at refrigeration temperature M.A. Pandor, N.F. Chaudhari, L.C. Modi, N.S. Dangar, W. Niz and David Kumar	79-83
B. Short Communication	
A combination of nanoheal® and low level laser therapy for septic wound healing in animals A.R. Ninu, S. Dharmaceelan and J. Johnsonrajeswar	84-86
Effect of body condition score on ovarian rebound in postpartum Sahiwal cows Mithilesh Uppal, M.K. Awasthi, R.P. Tiwari, M.R. Poyam, G.K. Mishra and Manisha Verma	87-89

C. Clinical Article

Successful therapeutic management of cloud burst in a non-descriptive doe M. Sameer Ali, S. Rangasamy and K. Kulasekar	90-91
Obstetrical management of postpartum total uterine prolapse by coeliotomy and single dose of cefovecin sodium in a queen cat S. Rangasamy, G. Monica, Aparna Gopinadhan, N. Neeladevi and U. S. Kalyaan	92-93
Successful surgical correction of intestinal foreign body obstruction in canine: a case report Manav Sharma, Mridu Pavan Baishya, Sampurna Nand Yadav, Biraj Kumar Sarma, Ruma Devi, Pallabi Thakuria and Dipankar Paul	94-96
Ventral epiplo-hysterocele in a Pug Satbir Sharma, Ram Najar Chaudhary, Deepak Kumar Tiwari, Neeraj Arora, Ram Niwas and Vaibhav Bhardwaj	97-98
Successful management of umbilical hernia with abomasal fistula in a buffalo calf Satbir Sharma, Gaurav Kumar, Ram Najar Chaudhary, Deepak Kumar Tiwari, Neeraj Arora, Ribu Varghese Mathew and Bijender Singh	99-100
Successful surgical management of complete rectal prolapse in a piglet Ram Niwas, Priyanka, Dinesh and Sandeep Kumar	101-102
Hypercalciuria in the house rabbit: an ecological anomaly Sabita Rakshit, Kabita Roy and I.C. Datta	103-105
An unusual case of fetal maceration in a she dog Atul K. Verma, Ashutosh Tripathi, Akhil Patel, Ajit Kumar Singh, Manish K. Shukla and Vijay Singh	106-107
Successful posthioplasty of chronic preputial prolapse in a Gir bull Sandeep Potliya, R.S. Bisla, Swati Ruhil, Ankit Kumar and Harpreet Singh	108-109
Uterine serosal inclusion cysts coupled with dystocia due to primary uterine inertia in a German Shepherd she dog Avaneesh Kumar Singh, Jitendra Agrawal, Vikas Sachan, Anuj Kumar and Atul Saxena	110-111
Rare case of unilateral uterine hypoplasia in a she dog A. Sabarinathan, N. Arunmozhi, U.S. Kalyaan, T. Sathiamoorthy and S. Rangasamy	112-113
A case report on equine piroplasmiasis in a thoroughbred horse from Durg, Chhattisgarh and its therapeutic management Sushil Kumar Maiti, Hamesh Kumar Ratre, Mahesh Ram Poyam, Abhishek Hota and Pavan Diwan Singh Raghuvanshi	114-116
Primary intranasal transmissible venereal tumor (TVT) in a male labrador dog and its therapeutic management Kanwarpal Singh Dhillon, Sankalp Sharma and Madhav Arora	117-119
Efficacy of different therapeutic regimes on wound myiasis in cattle- a clinical study S.N. Yadav, A.J. Nath, N. Ahmed, M.P. Baishya and K. Saikia	120-122
Obstetrical management of recurrent vagino-cervical prolapse using vulvoplastic technique in a crossbred cow S. Rangasamy, T. Sarath, J. Umamageswari, R. Raja Lakshmi, U.S. Kalyaan and K. Krishnakumar	123-124
An unusual case of transmissible venereal tumour in a Chippiparai dog A. Ganesan, S. Sathesh Kumar, M. Murugan, Chhavi Gupta and V. Kumar	125-126
A case report on clinico-pathological diagnosis, prognosis and treatment of nasal tumours in dogs Sujata Turkar, Gurpreet Singh Preet, Neetu Saini, Sushma Chhabra and S. Deshmukh	127-129
Conjoined dicephalic thoracopagus tetrabrachias tetrapus dicaudatus monster in a buffalo Brijesh Kumar Yadav, Asif Pasha, Avaneesh Kumar Singh, Jitendra K. Agrawal and Atul Saxena	130-131
Ultrasound aided retrieval of iatrogenic foreign body in teat obstruction in crossbred cows M. Venkatesan, A. Kumaresan, P. Tamilmahan, S. Senthilkumar, M. Veeraselvam and N. Premalatha	132-133
Diagnosis and management of benign splenic tumor in a geriatric male Labrador Retriever dog Abhinav Suthar, Ankit Prajapati, Dhyan Jyoti Sarma, Ayushi Nair, Niral Patel and Rameshchandra Patel	134-136
Ultrasonographic detection of abnormal allantoic fluid accumulation secondary to embryonic death in a crossbred cow E. Niyas, S. Shibu, M.H. Hiron, C. Jayakumar, J. Deepak and S. Reshma	137-140
Clinical management of dystocia due to fetal arthrogryposis in a crossbred cow Sudhir Kumar, Anil Kumar Pandey and Utsav Sharma	141-142
Surgical repair of a tibiotarsal fracture by intramedullary pinning in goose - A case report Raviraj Vinayak Suryawanshi, Gauri Ubhare, Gauri Pande and Anil Hiroji Ulemale	143-144
Surgical management of traumatic penile necrosis and urethral rupture by penile amputation and post-scrotal urethrostomy in bovines Ram Bilash Kushwaha, Ajay Kumar Gupta, Dinesh Kumar Dwivedi, Pankaj Gupta and Ankur Sharma	145-148
Therapeutic management of haemorrhagic cystitis in a horse R. Raguvaran, Heeralal Gahlot, Narayani Yadav, A.C. Saxena and B.R. Singh	149-151
