A. Research Articles

Histomorphochemical studies on the magnum of Punjab white quails S.V. Sukhadeve, Neelam Bansal and Devendra Pathak	1-4
Impact of vocational trainings on the adoption of piggery in district Sangrur of Punjab Satbir Singh and Mandeep Singh	5-7
Perceived constraints and suggestions in adoption of animal husbandry technologies: A study in semi-arid zone of Maharashtra Santosh S. Pathade, B.P. Singh, Mahesh Chander, D. Bardhan, M.S. Kannadhasan and N.V. Khode	8-12
Constraints experienced in adoption of livestock insurance by dairy farmers of Mathura district of Uttar Pradesh Jitendra Kumar, Sanjeev Kumar Singh, Amit Singh and Rashmi	13-16
Histochemical studies on the developing abomasum of goat in prenatal period Varsha Gupta, M.M. Farooqui, Ajay Prakash, Archana Pathak, Shri Prakash and Abhinov	17-21
Development and physicochemical quality assessment of solar and oven dried spent hen meat powder incorporated with phyto-ingredients B.K. Sarkar, M. Hazarika, S.K. Laskar, A. Das, S. Upadhyay, P. Gogoi, S. Choudhury and Z. Rahman	22-28
On-campus trainings on pig farming: Analysis of knowledge gain Madhu Shelly and H.K. Verma	29-32
Effect of shatavari, garlic, aloe vera and moringa supplementation on the performance of broilers fed with distillers dried grain with soluble (DDGS) based diet Ravi Kumar, Zile Singh Sihag, Sandeep Kumar, Pawan Rohilla and Sajjan Sihag	33-37
Oral sub-chronic thiacloprid toxicosis in poultry birds (<i>Gallus domesticus</i>): A clinico-biochemical evaluation Saloni Singla and V.K. Dumka	38-42
Calving pattern in Gir cattle: A comparative study between primiparous and pluriparous cows S.S. Parikh, T.K. Patbandha and B.D. Savaliya	43-46
Histogenesis of jejunum in prenatal goat Abhinov Verma, M.M. Farooqui, Ajay Prakash, Archana Pathak, S.P. Singh, Varsha Gupta, Prabhakar Kumar and Neeraj Gangwar	47-50
Dairying as vehicle to raise incomes of small farmers in Haryana Udita Chaudhary and Vishal Thorat	51-56
Histomorphological and histochemical studies of the meibomian and ciliary glands of goat (<i>Capra hircus</i>) Tej Parkash, Amandeep Singh and Parveen Kumar Gahlot	57-60
Morphological analysis of parotid salivary gland of pig (<i>Sus scrofa</i>) Parveen Kumar Gahlot, Tej Parkash and Amandeep Singh	61-63
Animal health-care and animal produce marketing practices adopted by livestock farmers in high altitude north-western Himalayan (Gurez) valley of Jammu and Kashmir Yasir Afzal Beigh, Abdul Majeed Ganai, Zulfaqarul Haq, Shabeer Ahmad Hamdani, Raoof Ahmad Patoo and Asloob Ahmad Malik	64-68
Gross anatomical and histomorphological studies on heart of sheep Dilmanpreet Sandhu, Anuradha Gupta, Neelam Bansal, Varinder Uppal and Jitender Mohindroo	69-73
Gross morphological and biometrical studies on the thymus in various chicken genotypes N. Dahariya, S. Sathapathy, U.K. Mishra, R. Patra, S. Dehury, S.K. Joshi, S.K. Sahu and Biswadeep Jena	74-80
Role of bioclimatographs in forecasting strongyle infections in goats of Mahakoushal region, Madhya Pradesh, India Alok Kumar Singh and G. Das	81-85
Gross and histo-morphological studies on the large intestine of rabbit Rajesh Ranjan and Partha Das	86-91
Pharmacokinetics of amikacin in healthy goats after repetitive intramuscular administration Namrata Upadhyay, Nitesh Kumar, Arpita Shrivastav, Swatantra Singh, Neeraj Shrivastava, Sumat Kumar Shakya and Rajeev Ranjan	92-95

Histochemical localization of mucopolysaccharides, proteins and lipids in buffalo skin Debjit Debbarma, Varinder Uppal, Neelam Bansal and Anuradha Gupta	96-99
Gross anatomical and scanning electron microscopic studies in the larynx of pigs Tej Parkash and Pawan Kumar	100-103
Hospital occurrence of bovine mastitis and correlated risk factors in and around Palampur area of Himachal Pradesh Kanika Bhardwaj, Pardeep Sharma and Des Raj Wadhwa	104-107
Gross anatomical and ophthalmoscopic findings of normal retinal fundus in sheep S. Rajathi and S. Muthukrishnan	108-110
Impact of dairy co-operatives membership on income and employment of dairy farmers in Karnataka state G. Makarabbi, P.K. Dixit, M. Sivaram and M.C.A. Devi	111-114
Evaluation of the isoflurane sparing effect of meloxicam in buffaloes undergoing diaphragmatic herniorrhaphy Pooja Yadav, R.N. Chaudhary, Deepak Tiwari, Sandeep Goyal, Neeraj Arora, Satbir Sharma, Ashok Kumar and Rishi Tayal	115-118
Nutritional assessment of dal churi in dog food Mohneet Kaur, Udeybir Singh, A.P.S. Sethi, Haneet Kaur and O.P. Malav	119-122
Pathomorphological and immunohistochemical studies on lungs of bovine with respiratory affections Diwakar Singh Rana, Gulshan Narang and Babu Lal Jangir	123-127
B. Short Communication	
Prevalence pattern of cattle coccidiosis in Mathura district of Uttar Pradesh, India Pradeep Kumar, Daya Shanker, Jitendra Tiwari, Alok Kumar Singh and Amit Kumar Jaiswal	128-130
Suggestions for improvement in milk to the urban consumers based upon certain observations Sajjan Singh and D.N. Srivastava	131-134
Epidemiological and pathological studies on outbreaks of swinepox in Punjab Vishal Mahajan, Gursimran Folia, Mandeep Singh Bal, Geeta Devi Leishangthem and Kulbir Singh Sandhu	135-136
Alteration of lactic acid bacteria profile in piglets after dietary supplementation of probiotics: A comparative study Arup Kalita, P.C. Kalita, P. Roychoudhary, O.P. Choudhary and P.J. Doley	137-139
C. Clinical Article	
Conventional and nucleic acid based confirmation of <i>Anaplasma platys</i> infection in a dog from Meerut, western Uttar Pradesh: A case report Prem Sagar Maurya, Shivani Sahu, Mullakkalparambil Velayudhan Jithin, Gulab Chandra and Anjali Devi	140-141
Multiple digital squamous cell carcinoma of nail - bed epithelium in a Spitz dog A. T. Faslu Rahman, P. Preena, Asif M. Ashraf, M. Saminathan, R. Anoopraj, K. Sharun, M.P. Dhananjai, M.S. Sivaprasad, K.M. Manjusha and K.P. Singh	142-145
Surgical management of aseptic pyonephrosis in a dog Pankaj Gupta, A.K. Gupta, R.B. Kushwaha and Rauoof Ahmad Rafiqee	146-148
Management of an infected compound metatarsal fracture in a heifer R.B. Kushwaha, A.K. Gupta, D.K. Dwivedi, Pankaj Gupta and Ankur Sharma	149-151
Conjoined twin foetal monster coupled with Schistosomus reflexus in a Jersey crossbred cow S. Rangasamy, C. Pugazharasi, T. Sarath, T.A. Kannan, R. Rajalakshmi, K. Nidhiya Joy, P. Dharani, U.S. Kalyaan and K. Krishnakumar	152-154
Obstetrical management of Campylorachis scoliosa foetal monster in a non-descript cow S. Rangasamy, C. Pugazharasi, T.A. Kannan, Aishwarya Das, S. Madhupriya, T. Sarath, C. Prabu and T. Sathiamoorthy	155-156
Management of follicular cyst associated with cystic endometrial hyperplasia in a Labrador she dog M. Kanaga Devi, N. Arunmozhi, S. Rangasamy, C. Prabu, J. Umamageswari, P. Sridevi and C. Pugazharasi	157-159
