

THE HARYANA VETERINARIAN

Vol. 65(1)

June, 2026

CONTENTS

	Pages
A. Research Articles	
Sensory evaluation of <i>shrikhand</i> prepared from buffalo and camel milk enriched with ginger and black pepper Choudhary, V., Bais, B., Kanwar, P., Masar, P., Tanwar, A. and Godara, K.	1-6
Impact of Lumpy Skin Disease on serum biochemical parameters in cattle Ankita, Meena, D.S., Sewag, A., Singh, R., Yadav, D., Yadav, P. and Chaudhary, W.	7-10
Histochemical studies of thymus gland of sheep in pre and postnatal age groups Bhagyalakshmi, J., Balasundaram, K., Sravanthi, M., Sujana, K.M. and Charitha, V.G.	11-16
Modelling and forecasting of breeding efficiency in Haryana cattle Rakshit, Kumar, V., Singh, S.P., Agrawal, J.K. and Singh, A.	17-22
Detection and pathotype analysis of Shiga toxin-producing <i>E. coli</i> (STEC) serogroups: O26, O111 and O157 Akash, B., Singh, V., Manoj S., Katira, B., Sanjumon, E.S., Dubal, Z.B., Vinodh Kumar O.R. and Kumar, M.S.	23-26
Assessment of training needs of pastoralists of Punjab Sharma, V., Kasrija, R., Singh, J., Chahal, U.S., Kaur, D. and Anjana, N.S.	27-29
Exploratory serological investigation of leptospirosis and scrub typhus in field rodents and shrews of Uttar Pradesh, India Singh, V., Nair, S.S., Abhishek, Mote, A.B., Verma, P., Gupta, H., Kumar, M.S. and Dhanze, H.	30-33
Studies on bacterial isolates associated with reproductive problems and their antimicrobial susceptibility profile in bovines of Haryana Manoj, J., Singh, M. and Chhabra, R.	34-37
Canine diabetes and its successful management Chaudhari, P.P., Dhoot, V.M., Bhojne, G.R., Upadhye, S.V. and Thakur, K.R.	38-41
Histomorphological and histochemical studies on goblet cells, mucosal and submucosal glands of intestine of rabbit Ranjan, R. and Das, P.	42-46
Phytochemical analysis and <i>in vitro</i> study on antimicrobial, anti-inflammatory and antioxidant activities of <i>Tridax procumbens</i> extracts against bovine mastitis pathogens Venkatesan, M., Ponnuswamy, K.K., Venkatesakumar, E., Senthilkumar, K., Jayachandran, S., Bharathi, V., Raguvaran, R., Akkara S. and Elango, A.	47-52
Parasitological diagnosis with haemato-biochemical alteration and therapeutic management of <i>Schistosoma indicum</i> in bullock: A case report Brahmbhatt, N.N., Thakre, B.J., Dodia, V.D., Patel, A.S. and Chaudhary, D.	53-56
Kleiber ratio in Sirohi goats Kumar, V. and Nagda, R.K.	57-61
Humectant optimization offers a strategic approach to enhancing the physico-chemical and sensory quality of goat milk soft cheese Kumar, R., Goswami, M., Pathak, V., Singh, C. and Mishra, A.	62-69
Complete case study of <i>Hepatozoon canis</i> : Clinical, haemato-biochemical, molecular analysis and therapeutic management Brahmbhatt, N.N., Patel, A.S., Dodia, V.D., Thakre, B.J. and Gamit, S.	70-74
Acute fasciolosis in a sheep - A detailed study on hepatic histopathology and parasitological findings Srinivasa Naik, H., Charitha Gnani, V., Jyothi, C. and Yugandhar, C.	75-79
Protective role of silibinin against Bisphenol- A induced sub-acute toxicity in wistar rats Kulkarni, S.S., Tiwari, V., Kant, V., Singh, A. and Sharma, M.	80-84
Molecular prevalence of <i>Theileria</i> infection in <i>Hyalomma anatolicum</i> infesting cattle in different agro climatic zones of India Pateer, D.P., Ram, H., Panda, R., Yadav, S. and Garg, R.	85-88
Hematology and phenotypic characterization of Mudhol Hound Koujalagi, S., Galdhar, C., Gaikwad, R., Pawalkar, D., Ingole, S., Deshmukh, R., Kasralikar, V., Saini, D., Sindhur, A. and Kurbet, P.	89-95
Clinical wound healing activity of <i>Aloe vera</i> gel in dogs Upase, A.P., Jadhav, N.D., Rajurkar, S.R., Shinde, A.G., Chigure, G.M., Rathod, P.R. and Chepte, S.D.	96-99

B. Short Communication

Nitrate-nitrite toxicity in south-west region of Punjab: A report Jahan, A. and Lonare, M.K.	100-101
Laparoscopic cholecystectomy by subserosal layer dissection technique in canines: A report of eight cases Mugdha, J., Fiske, G., Akhare, S.B., Bhadane, B.K., Upadhye, V.S., Gawande, A.P., Patil, M.S. and Hazare, J.	102-106
Assessment of economic loss due to gastrointestinal nematode (GIN) infection in goat of Jabalpur district, Madhya Pradesh Singh, A.K. and Das, G.	107-109
Effect of graded levels of bee propolis on fermentation characteristics of maize fodder based ration: An <i>in vitro</i> assay Dhuria, S., Kaur, J., Grewal, R.S. and Hundal, J.S.	110-113
Pancreatic elastase-1 ELISA for the diagnosis of exocrine pancreatic insufficiency and its management with enzyme replacement therapy: A case report Abhijith, S.P., Kshama, M.A., Lathamani, V.S. and Abdul Kalam, A.	114-116
Transvaginal hybrid endoscopic ovariectomy in dog: A preliminary clinical study Gaikwad, K., Akhare, S.B., Upadhye, S.V., Kamble, M.V., Dhoot, V.M., Fiske, G. and Bhadane, B.K.	117-120
Histological studies on the myenteric plexus in rabbit Ranjan, R. and Das, P.	121-122

C. Clinical Articles

Surgical management of perineal hernia in Mehsana buffalo Gosai, R.K., Patel, A.M., Patel, J.B. and Chaudhary, S.	123-124
Successful surgical management of colic due to conglomerate plastic bezoar in Jejunum in a mare Cynthia, A.J., Tamilmahan, P., Bharathidasan, M., Prasad, A.A., Raj, D.P. and Jeevika, P.V.	125-128
Management of dystocia in a mare through fetotomy Sarswat, C.S., Yadav, S.P., Bansal, K.N., Meena, A.K., Trivedi, N., Paras, W., Meena, C. and Anita	129-130
Dystocia due to ventral hernia with macerated fetal bone protruded through udder in a Salem black doe- A case report Manokaran, S., Shanmathi, S., Sarath, T., Reshma, A., Thangamani, A. and Rajkumar, R.	131-132
Endoscopic retrieval of thoracic oesophageal foreign body in a 4-month-old Tom cat Kumar, T.S., Kamalesh Kumar, K.S., Kumar, R., Kumar, M., Singh, B.P., Mehra, S. and Naveen, N.	133-134
Surgical and histopathological analysis of subcutaneous fibroma in a pet rat Kumar, M., Dabas, R., Singh, B.P., Sai Kumar, T., Singh, K., Gopinathan, A., Sahu, U.K. and Kamalesh Kumar, K.S.	135-136
Successful therapeutic management of congenital bilateral goitre in a female calf Pradhan, T.R., Rajpurohit, V., Ansari, S. and Behera, H.	137-140
Incidence of a fetal cyclops monster with prognathism and <i>Perosomus horridus</i> in a non-descript stillborn kid Subash Chandra Bose, J.V., Prakash, S., Raja, S., Ragul, K., Umanath, V. and Arunmozhi, N.	141-143
Successful surgical management of splenic hemangioma by total splenectomy in a Rottweiler Kokila, S., Kumaresan, A., Kathirvel, S., Gopal, K., Sumathi, M., Manikandan, M. and Dharmaceelan, S.	144-146
Surgical intervention and management of horn conditions in cattle Ninu, A.R., Krishnaveni, N., Thangathurai, R. and Kumar, V.	147-149
Surgical management of hysterocele in a pregnant doe using polypropylene mesh hernioplasty: A case report Prarthana, R., Gopinathan, A., Kamalesh, K.S., Yadav, R., Singh, B.P., Kumar, C. and Kumar, R.	150-152
Uterine torsion in a pregnant cat - A case report Singh, A.V. and Adey, K.S.	153-155
