

**LALA LAJPAT RAI UNIVERSITY OF VETERINARY AND ANIMAL SCIENCES
(LUVAS), HISAR (Component 2)**

Principal Investigator

Name	: Dr. Joshi VinayG	
Designation	: Scientist	
Department	: Animal Biotechnology	
Institute/University	: Lala Lajpat Rai University of Veterinary and Animal Sciences, Hisar-125004	
E-mail	: vinaygjoshi18@gmail.com	
Number of research projects being handled at present	: One as PI, One as Co-PI	

Co-Principal Investigators

Name	: Dr. Manesh Kumar	
Designation	: Scientist	
Department	: Veterinary Public Health and Epidemiology	
Institute/University	: Lala Lajpat Rai University of Veterinary and Animal Sciences, Hisar-125004	
E-mail	: vetmanesh@gmail.com	
Number of research projects being handled at present	: One as Co-PI	

Name	: Dr. Gaurav Charaya	
Designation	: Assistant Professor	
Department	: Veterinary Medicine	
Institute/University	: Lala Lajpat Rai University of Veterinary and Animal Sciences, Hisar-125004	
E-mail	: gcharaya9@gmail.com	
Number of research projects being handled at present	: Two as Co-Investigator	

Objectives:

1. Development of aptamer-based detection system for B. anthracis infection in animals.
2. Development of surveillance tool for on-field detection of B. anthracis from various sources in association suitable outsourcing partner for nucleic acid aptamer for surveillance and confirmatory diagnosis.
